

An innovative, eco-friendly fully serviced facility  
to accommodate the increasing number of habitants  
of the Tech Valley Eco-system.

## Exclusivity and Serenity

The Lodge combines privacy, accessibility and functionality in a state-of-the-art floor facility within Isimi Lagos Tech Valley. Strategically located in the cultural city of Epe, Isimi remains a step forward to the growth of eastern Lagos, in time for planned economical and infrastructural expansion of the state.

### Gravity Campus

A cluster of Labs to host executive programs, research centers and the first Senseable City Lab in Africa in collaboration with top universities worldwide to curate courses to make a world-class education accessible in Nigeria.

### Recreational Facilities

Residents can enjoy common lounges and other recreational facilities such as Olympic size pool, Tennis, Polo, Gym and Spa.
